- How to play the new toys and games (p.5)
- Why do you like them?(p.6)
- What are their differences(p.7)
- How do you feel about the changes(p.8)
- Which toys and games do you like? The old ones or the new ones?Why(p.9)
- The cause(p.10)
- Feel(p.11)

Toys and games in the past

- In the past, people liked playing beanbags, go fishing, tug of war, climb trees, marble and hide-and-seek.
- In the past, people were very poor, so they make their own toys.

Toys and games in the present

- Nowadays, people like playing computer games, PSP, NDS, Wii, video games and playing radio control car.
- Nowadays, the toys are very cheap so many people have a new toys.

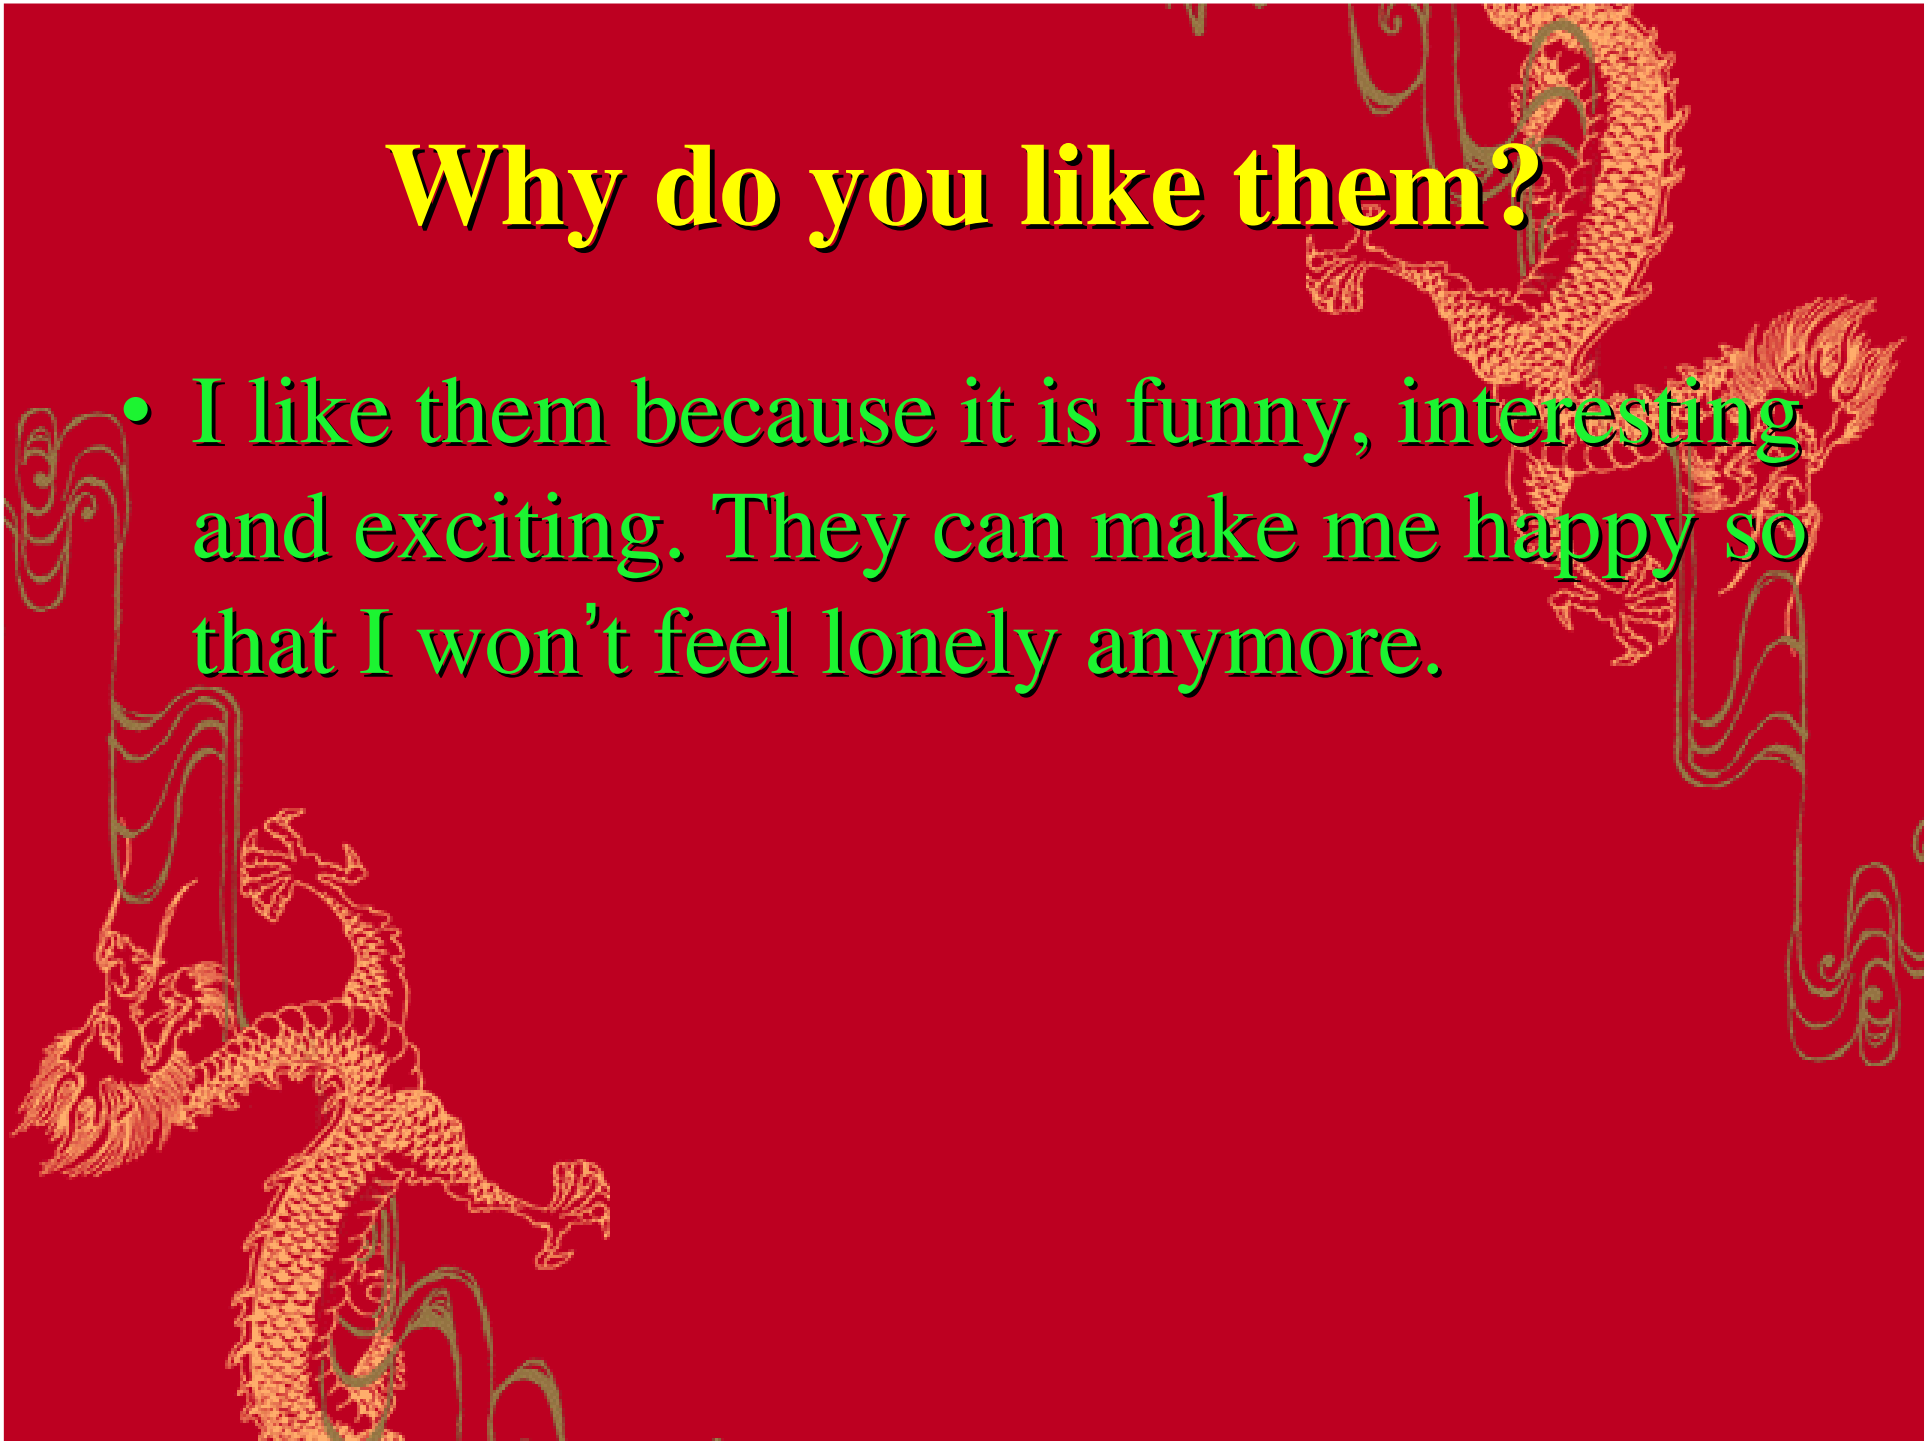

How to play the new toys and games

- Material:
- A piece of paper
- A box of crayon
- Order:
- First, you choice a crayon.
- Next, you must return your body to draw the animals or teacher's shape.
- Then, you complete the picture.
- Finally, push your complete picture.

Why do you like them?

- I like them because it is funny, interesting and exciting. They can make me happy so that I won't feel lonely anymore.

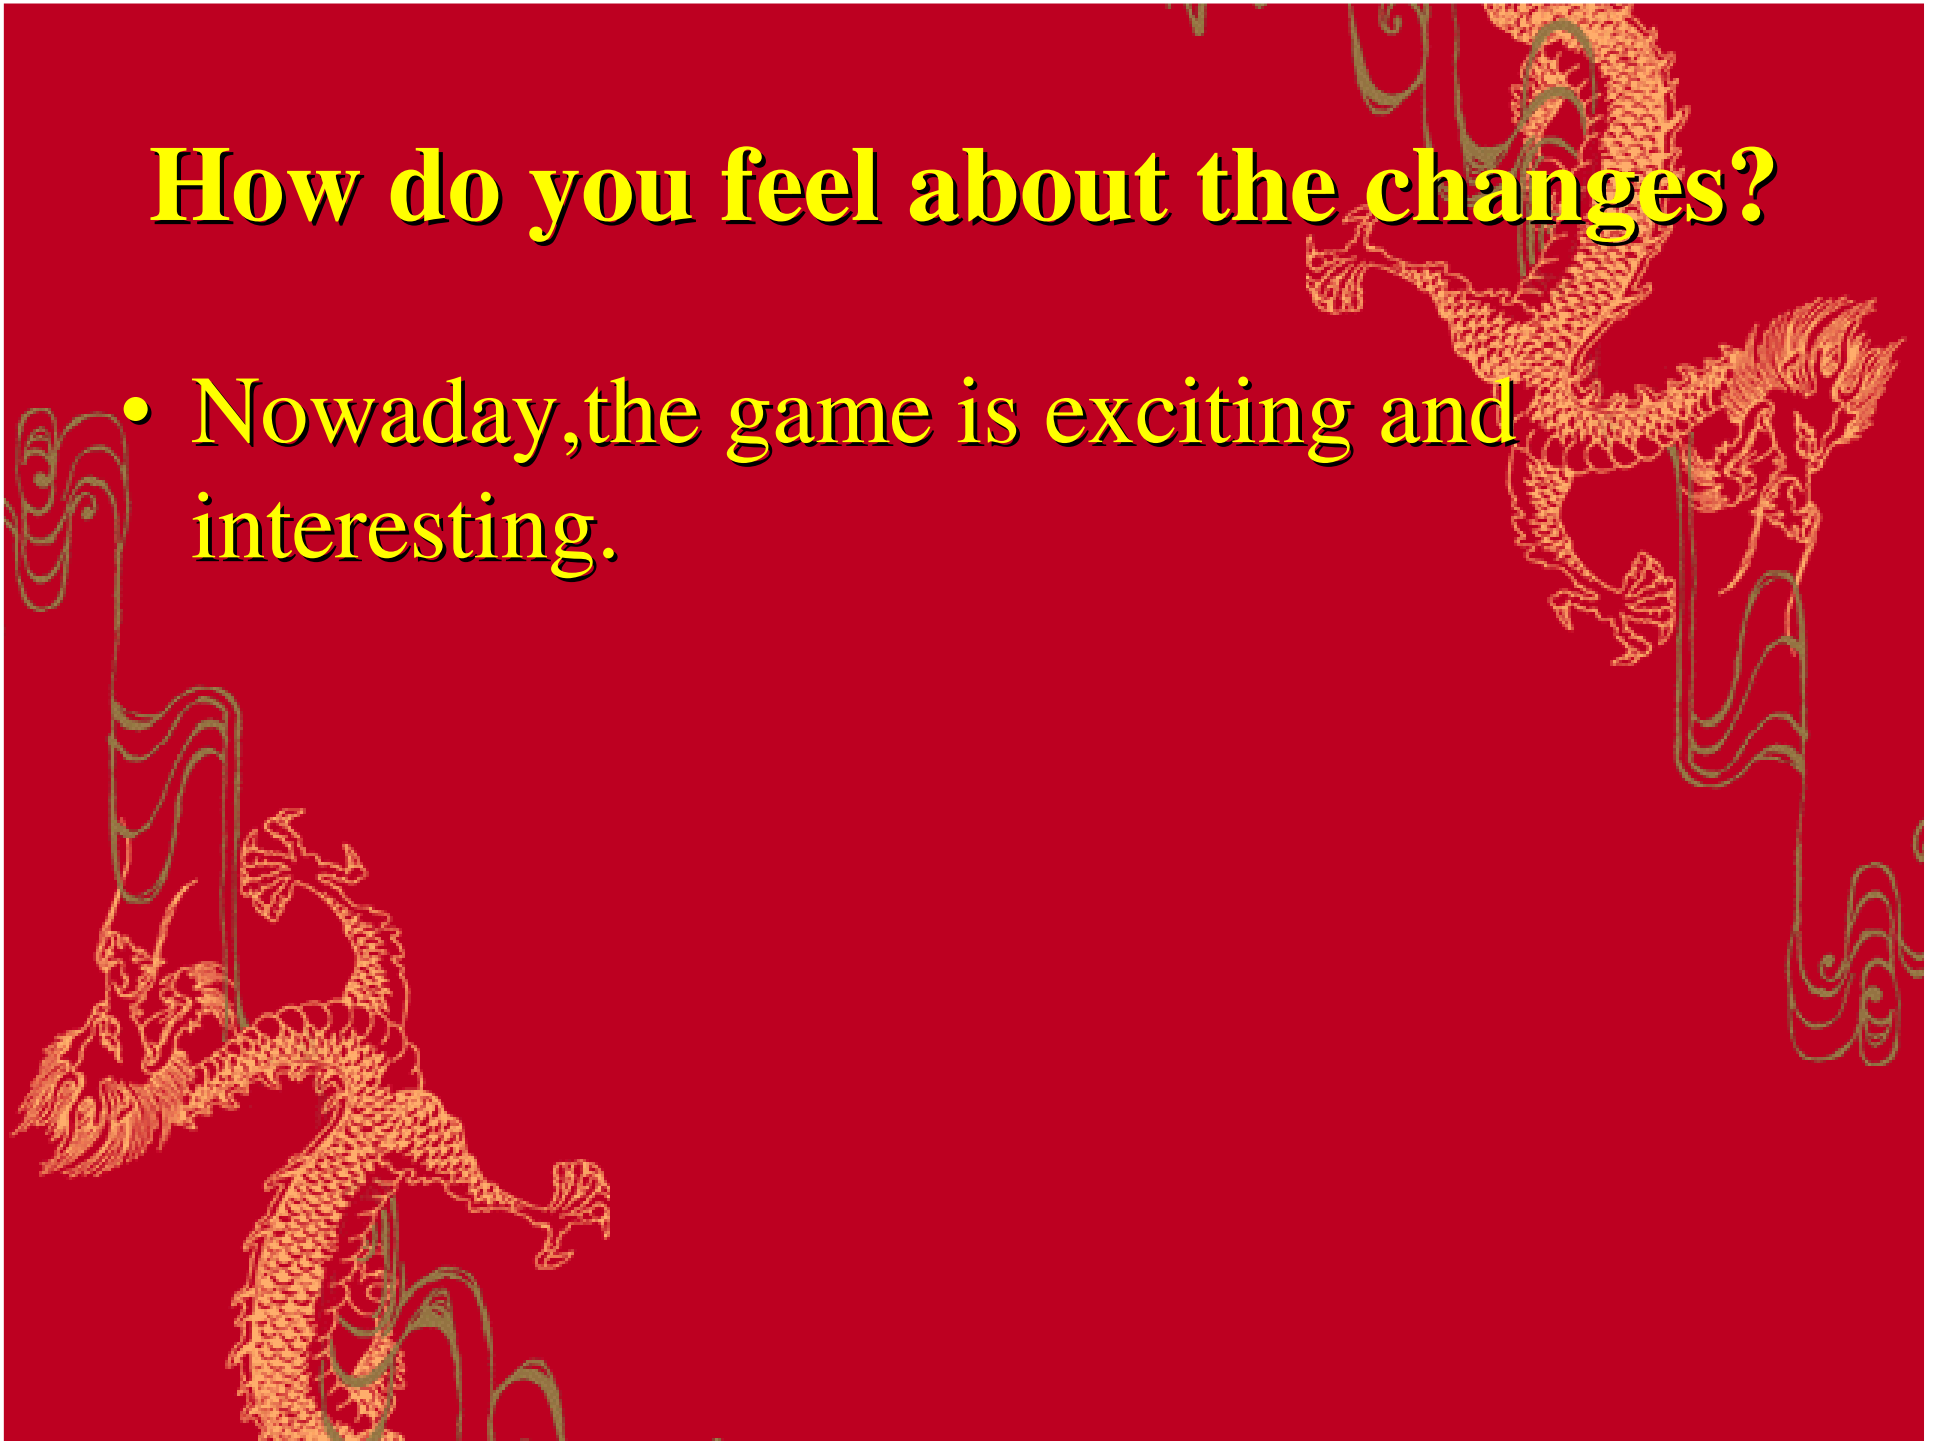

What are their differences?

- In the past, the toys and games is not advanced and not interesting.
- Nowadays, the toys advanced, interesting and excite.

How do you feel about the changes?

- Nowadays, the game is exciting and interesting.

Which toys and games do you like? The old ones or the new ones? Why ?

- I like wii. It is the most advanced toy. It is because it has many games.

The cause

- www.yahoo.com.hk
- www.baidu.com

Feel

- We can learn many old games and toys in the past. We can also know how to play the games in the past.

Thank you
